On Monday 25th November 2019 Sir Tim Berners-Lee launched the **Contract for the Web** - the first ever global plan of action to make our online world safe & empowering for everyone.

The web is one of the most powerful tools we've ever had to transform our lives for the better.

Every daily process is becoming governed, assisted or regulated by technology. Digital solutions increase global productivity and revenue... **Contract for the Web is a must!!**

Never before has the web's power for good been more under threat... It doesn't have to be this way...We can - and must - fight for the [#WebWeWant](https://www.webwewant.org)
